THE GOSPEL OF MARK CHAPTER 4

In the parable, how many types of soil are there?

Four

What does each soils type represent:

1. Side of the road (rocks)

Those that hear and ignore the word

2. Rocky places (thin soil)

Lacking roots, persecution causes them to fall away

3. Among the thorns

Worries of the world and worldly desires choke them out

4. Good soil

Fruitful Christians
