Missions Focus Weekend - October 27-29

Days of Heaven on Earth

There is power for us if we have the Holy Spirit. God wants us to speak to men so that they will feel it, so that they will never forget it. God means every Christian to be effective, to make a difference in the actual records and results of Christian work. God put each of us here to be a power. There is not one of us but is an essential wheel of the machinery and can accomplish all that God calls us to.

There is not a thing that God expects of a person but that God will give him or her power to do. There is not a command God gives to His children for which He does not provide the enablement for obedience. When Christ Jesus lived and died and sent down the Holy Spirit, He sent resources for all our needs, and there is no place for failure in the Christian life if we will take God's resources. Jesus, the ascended One, and the Holy Spirit, the indwelling energy, life and efficiency of God are sufficient for all possible emergencies. Do you believe this? if you believe it, let Him into your heart, without reserve, and allow Him to control you and work through you today by His power.
